

AROMA JOURNEY

CONCRETA STATION

There are a few fast and easy ways for guests to choose their favorite aroma for the treatment. Select the one that works best for you and your spa.

HOW TO TAKE GUESTS ON AN AROMA JOURNEY

1

AT FRONT:

Guest selects either (a) unzented or (b) an aroma*, chosen during a self-guided aroma journey.
Can be done during intake.

2

RELAXATION ROOM:

Guest selects either (a) unzented or (b) an aroma*, chosen during a self-guided aroma journey.

3

TREATMENT ROOM:

Guest selects either (a) unzented or (b) an aroma*,
chosen during a therapist-guided** aroma journey.

4

MANI/PEDI ROOM:

Guest selects either (a) unzented or (b) an aroma*, chosen during a self-guided aroma journey.
Performed with a Concreta tray placed on guest's lap during foot soak and cuticle care.

***TIP:** If guests can't make up their mind about the aroma they'd like, kindly let them know that the aromas are compatible and beautiful to blend, and that you will mix their two favorites to make something special just for them.

****THERAPIST NOTE:** You will use UNZENTED product all over the body. Only use the aromatic oil for "Aroma rituals" which you will learn how to perform in the Advanced Therapist Education.
